Periodic Reporting
(Proposal Four)

Docket No. RM2018-7

PUBLIC REPRESENTATIVE MOTION
FOR EXTENSION OF COMMENT DEADLINE

(July 19, 2018)

On June 25, 2018, the Postal Service filed a petition for the initiation of a rulemaking proceeding to consider changes in analytical principles relating to periodic reporting.¹ The Commission then issued Order No. 4685, which established July 23, 2018, as the deadline for interested parties to submit comments.²

The Commission issued an information request on July 13, 2018, requesting additional data from the Postal Service on or before July 20, 2018.³ Accordingly, the Public Representative requests that the deadline for filing comments be extended until July 25, 2018, to allow adequate time for additional analysis of the Postal Service's response. Extension of the comment deadline will not significantly delay the proceeding nor adversely affect any participant.
